Allergy Advice

Please tell a member of staff about any food allergy or intolerance before ordering, every time you visit.
Scan the QR code to view our current dish-by-dish allergen matrix. Ingredients, recipes and suppliers may change, so please check the information each time you order.
Our food is prepared in a small kitchen where shared equipment, utensils, storage and preparation areas are used. Although we follow allergen-control procedures, accidental cross-contact may occur. We therefore cannot guarantee that any dish is completely allergen-free.

Please note:

- Buns containing **SESAME** are cooked on the same grill as rolls and tortilla wraps.
- Products containing **MILK**, including cheese and yoghurt, are handled in our kitchen. Removing cheese or another ingredient does not make a dish free from that allergen.
- Supplier “may contain” warnings are included in our allergen information where applicable.
- If we cannot prepare your order safely, a member of staff will let you know.
- Sauces: Our chilli mayonnaise and garlic mayonnaise contain **EGG**. Other allergens may also be present depending on the product used; please check the allergen matrix or speak to staff before ordering.And Ketchup Contains **Celery.**
